Thank you for your interest in American Spirit Academy EL Christian Studies. We appreciate this opportunity to share about Christian education for your child, specifically the one he/she would receive if your child were to attend school here.

In 1974, as an extension of the Christian home and Bible-believing church, EL Christian Studies opened its doors to provide a Christ-centered education, where God's Word is the foundation and also the focus for all aspects of the school program.

**Our vision for ELCS students is that they will *love* the Lord with all their heart, mind, soul, and strength; *grow* in wisdom, stature, and in favor with God and man; and *worship* God through their thinking, learning, serving, and living.**
